Welcome

Dear Colleague,

Thank you for your interest in the role of Group Director of Safeguarding and Wellbeing at The Bedford College Group (TBCG). The Group is the seventh largest further education college group in the sector by income and comprises seven distinct colleges with three further educational colleges, two sixth form colleges, one agricultural college and one national college for motorsport.

Our values are extremely important to us and keep the student at the heart of everything we do, but none more so than those of valuing teamwork, continuously improving, caring and inclusive, all of which sit at the heart of this role.

We are looking for an experienced leader who will deliver an outstanding professional and proactive specialist support service that ensures the safeguarding and welfare of all students, staff, volunteers and visitors.

To succeed in the role you will be an excellent communicator with recent, effective experience of successful leadership and management in further education in a middle management role and an in-depth knowledge and understanding of the current FE sector and the safeguarding requirements and challenges within it.

You will be coming to TBCG at an extremely exciting period of change, having joined as the new CEO in January 2024 the Group is being led with a passionate commitment to and vision of excellence that will take us forward in the next stage of TBCG's evolution.

Interested parties are strongly encouraged to contact our FE Associates recruitment partner, Asma.Ahmad@fea.co.uk, to arrange an initial discussion prior to submitting an application.

With best wishes

Yiannis Koursis
Group Chief Executive

About Us

TBCG is one of the largest FE providers in England and has grown rapidly in the last few years. Initially based on the old Bedford College site, through mergers and acquisitions, this year we have grown to have approximately 18,000 learners on multiple sites. In 2018, it successfully merged with Tresham College to create pan-Bedfordshire and North Northamptonshire provision based on the concept of developing regional market towns, and this has been boosted by Central Bedfordshire College (CBC) deciding to join the Group in February 2023. The Group has an Ofsted judgement of 'good', having rapidly improved the quality rating of Tresham on merger. These developments mean that TBCG has geographical sites in Bedford, Kettering, Corby, Wellingborough, Silverstone (housing a specialist motorsport facility), Shuttleworth (a land-based campus), and CBC sites in Dunstable and Leighton Buzzard.

Our strategic plan from 2022 to 2027 has a straightforward but challenging aim: 'to be the best and most authoritative further education provider in the South East Midlands'. This reflects both our current position as being the largest provider of FE in the region and also our ambition to be recognised as a system leader in national FE and a major source of civic leadership within our communities. TBCG is explicitly a regional institution and has no interest in being a national group or in growing for the sake of growth. Our rationale for expansion has been (and will continue to be) to achieve the benefits of regional integration, and its location is a major strength sited, as it is, within the southern part of the Oxford-Cambridge Arc and within easy commuting distance of London. Economic growth and employment opportunities are buoyant (under almost all economic models) and population growth and long-term demographic projections are strong. The region has genuine world-class employers with needs requiring world-class technical skills, and TBCG is committed to

making a substantial contribution with regional partners to achieving this. We are also aware that advances in digital technology will change many aspects of how FE operates and we intend to be a leader in this area as well.

Notwithstanding such ambitions, TBCG will remain a values-driven institution with its students and the communities it serves at its heart, and with a strong commitment to equality, diversity and inclusion (our strategic plan reaffirms this). TBCG has always striven to do what is best for its students and, thereby, to promote educational excellence by delivering programmes that stretch and challenge them. Continuing to enhance the quality of provision and student and employer satisfaction is at the heart of our strategic plan.

The strategic plan is available on our website and has been included on the FE Associates microsite for this role. The financial position of the Group is strong and it has a reputation in the sector for excellent financial management including having retained an ESFA financial rating of 'outstanding' for many years. Clearly, the national funding environment is difficult, particularly given inflation and the challenges of many aspects of staff recruitment and reward. Nonetheless, TBCG is better placed to weather such storms than the vast majority of the sector and we have a strong working relationship with our banks.

Our CEO, Yiannis Koursis OBE, continues to build on the Group's strong reputation, guiding us through the next phase of our journey. Yiannis has been transforming the lives of students for more than 17 years, having held senior roles in further education at colleges across the UK. In recognition of his exceptional contributions to social progress and development, he was awarded an OBE in 2022 and a fellowship from the Royal Society of Arts in 2020. Yiannis is a passionate national advocate for further education, championing its power to transform lives and tirelessly promoting the sector as a vital force for opportunity and growth.

We operate a model where each of our colleges has a designated Principal responsible for the day-to-day leadership of their respective campuses, ensuring the effective development and delivery of curriculum, teaching, and learning. The Business Development team, part of TBCG's professional services operations, is led at the Group level, serving the needs of stakeholders across each institutional region.

Safer Recruitment and Due Diligence Checks

Applicants are advised that, as part of the statutory guidance on Keeping Children Safe in Education, colleges/training providers are advised to make arrangements for an online search as part of due diligence on shortlisted candidates. The searches are aimed to assist in identifying things said or done that may harm the organisation's reputation or make the candidate unsuitable to work with children, young people and vulnerable adults. Where a cause of concern arises from the online search, a risk assessment will determine whether the concern is of such a nature that it is appropriate to exclude a candidate from the process or whether a clarification discussion, before or during an interview, is needed.
