

Leading for Success

Building the leadership pipeline
for further education and skills.

FE Associates leadership development
offer for leaders, managers and governors.

- **We partner with FE and Skills organisations** to offer sector-leading development opportunities for teams and individuals and utilise our deep sector expertise to develop, nurture and grow talent with the ultimate goal of supporting the learners, businesses and communities served by colleges and training providers.
- **What makes us stand out** is the sector expertise we have gained as leaders, managers, inspectors and governors across colleges and training providers – this is why our clients trust us with their leadership and management development priorities.
- **Since 2018 more than 2,500** leaders and managers have taken part in an FE Associates development programme, establishing us as the leading provider of leadership and management development to the FE and Skills sector.
- **Through nationally recognised** programmes, bespoke inhouse development solutions and sector specific open programmes, our programmes reflect the needs of the sector and the great people that work in it.

Development

- **Talent pipeline:** No other organisation offers a range of programmes that support the development of a sector talent pipeline. Our programmes are designed to grow and develop leadership at all levels.
- **Trust through expertise:** Our trainers are highly respected and credible leaders who have walked in the shoes of the leaders and managers we work with.
- **Professional and technical development:** The content of our programmes enables delegates to develop their leadership capacity and technical knowledge. Both are required to lead and progress in the sector.
- **We build networks and communities:** Networking and collaboration are key to the success of our programmes and we believe the best development takes place when we learn together.
- **Accountability and empowerment:** Our programmes put accountability for learning and development in the hands of the leaders and managers we work with.

Our Inhouse Leadership Development Clients

Executive Leadership Team Development Programme

The FE Associates Executive Leadership Team (ELT) Development Programme has been designed with a specific focus on building cohesive senior leadership teams and providing the space and time to press the pause button.

This programme will ensure team members know, understand and appreciate their colleagues whilst creating a shared understanding of the unique ambitions, perspectives and preferred ways of working among team members.

Through three facilitated one-day workshops and individual one-to-one coaching support, executive leadership teams will gain individual and team insights, build honest, caring and trusting relationships, create a unified team purpose and vision, position themselves to work more effectively across the organisations they lead and ensure they are well connected to the internal and external worlds of Further Education and Skills.

Designed and facilitated by our Senior Leadership Development specialist Larry Shulman, and supported with one-to-one coaching by Dame Sally Dicketts DBE, the new FEA Executive Leadership Team Development Programme is well suited to:

- **New and refreshed senior teams.**
- **Longstanding senior teams undergoing strategic change.**
- **Senior teams developing new organisational strategies and priorities.**

High Impact Coaching for Success

Our leadership coaching offer provides individuals with personalised development tailored to the unique circumstances faced by sector leaders. The high-impact support provided by an FEA coach builds self-awareness, uncovers blind spots and enhances emotional intelligence - a key trait for effective and successful leadership.

With a coach as a sounding board, leaders can think through complex problems more clearly and reflect before acting, ensuring sound decisions are made and communicated effectively. By combining accountability and focus, leadership effectiveness can be sustained in fast-paced and high-stakes environments.

Our coaching clients not only report positive progress in their own leadership practice but also in the effectiveness and impact of the teams they lead.

We will work with you to understand your unique requirements and will match you with one of our expert FEA coaches to support you with a truly personalised development experience.

Group Coaching The Adaptive Leader Programme

The Adaptive Leader programme provides bespoke coaching support for maximising team potential. Combining two team coaching sessions and 3 one-to-one sessions, the programme aims to develop agile, strategic decision-makers who maximise team potential rather than working in silos.

Through group and personalised coaching, teams will learn how to navigate shifting demands with confidence, ensuring clarity in decision-making while working through a high-performance team culture that delivers sustainable results.

The development programme enables leaders to adapt leadership styles and approaches to maximise individual and collective potential while implementing actionable frameworks that deliver success.

What people are saying about FEA Development Programmes

"The courses I have attended with FEA have been transformational!"

-

**Director of Quality
Local Authority**

"The Leading Authentically programme has taken me on a journey to understand how change and communication can affect actions and behaviours in the working environment. It has given me the tools to become a better leader. I would highly recommend this programme."

-

**Vice Principal
FE College**

"I thoroughly enjoyed the programme and the chance to collaborate with colleagues."

The discussions on motivation, leadership styles and change management were practical and engaging. Exercises like the SCARF model helped me understand how to manage change more effectively.

This programme gave me the tools to lead my team with greater awareness and purpose."

-

**Operations Manager
Education & Skills Provider**

"I found the sessions both engaging and thought-provoking. The opportunity to work with colleagues I don't usually interact with was a highlight."

-

The workshops exceeded my expectations!"

**Assistant Principal
Sixth Form College**

"What a course and an amazing group of senior leaders. I am honoured and feel blessed to have learnt alongside you all. I have learnt so much."

-

**Vice Principal
FE College**

"FEA designed an outstanding leadership and management programme for East Surrey College. They tailored the content to our specific needs, blending individual and team activities perfectly. Their support helped us create new college values and a leadership charter. Excellent delivery, highly recommend."

-

**Dr Lindsay Pamphilon
CEO & Principal**

"The programme offered valuable insights into leadership and motivation."

Reflecting on my motivators and those of my team was incredibly beneficial. The opportunity to step back and think strategically allowed me to gain clarity on leading my team better.

Collaborating with colleagues from other departments provided fresh perspectives on leadership challenges."

-

**Team Leader
Land Based College**

"I thoroughly enjoyed the two-day workshops, which were interactive and engaging. The highlight for me was the focus on motivational maps and design thinking."

-

It was an enlightening experience!"
